

fischer Expansion plug SX GREEN. The powerful nylon plug with 4-way expansion.

Functioning.

- The SX GREEN is suitable for pre-positioned and push-through installation.
- When screwing in the screw, the SX GREEN expands in four directions, thus providing a secure anchoring in the building material.
- Suitable for wood, chipboard and spacing screws.

Your advantages at a glance:

- The powerful 4-way expansion provides optimum force distribution in the building material and offers high load bearing capacities.
- The anti-rotation lock prevents the plug from rotating in the drill hole.
- The expansion-free plug neck prevents damage to tiles and plaster.
- Fast and easy push through mounting reduces installation time.
- The SX GREEN is available in diameters from 5 to 12 mm.

Installation

Range.

Expansion plug **SX GREEN** - with rim

Expansion plug **SX GREEN**
- larger anchoring depth, without rim

Expansion plug **SX GREEN S**
- with rim and screw
